

# BEING A GOOD FRIEND ICE CREAM TOWER

**There are lots of parts to being a good friend! Knowing these skills helps us make new friends and grow strong friendships.**

**Brainstorm as many ways to be a good friend using the ice cream tower activity!**

1. Cut out the ice cream pieces and the ice cream cone.
2. Tape the ice cream cone to the wall.
3. What does a good friend do?  
Come up with as many ideas as you can. Write each idea on an ice cream scoop and tape in on the wall above the ice cream cone.
4. See if you can make the ice cream tower taller than you!
