

QUESTION-ANSWER BOARD GAME

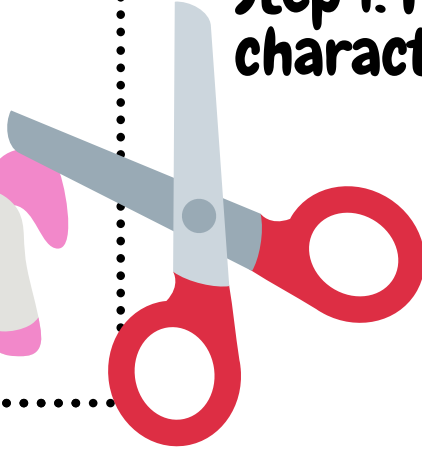

Conversations have lots of parts! Practice sharing information and asking questions using this board game!

1. Cut out the two crowns and put them together so they fit on your head.
2. Cut out the playing pieces and put them together using the visual instructions below.
3. Each player should choose a playing piece and put it on the starting line.
4. Each player should wear a crown. After each round, swap crowns so you get the chance to be a Question Asker and an Information Sharer.
5. The Information Sharer will pick a card from the "Information Sharer" card deck to start the game.
6. The Question Asker will ask a question related to the what the Information Sharer said.
7. Every time the Information Sharer shares something, they move forward a spot. Every time the Question Asker asks a question, they move forward a spot.

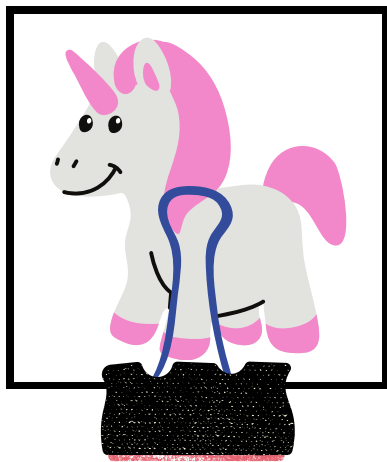

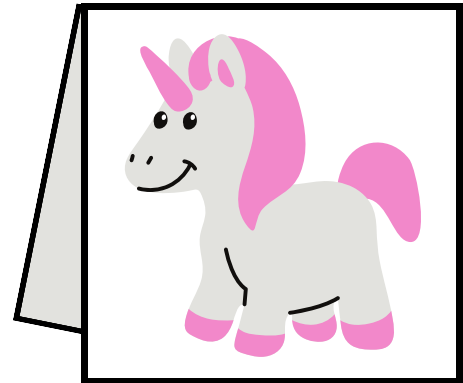

PLAYING PIECE HOW TO

Step 1. Pick your favorite character and cut it out.

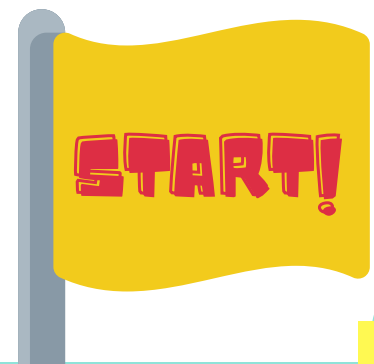

Step 2. Fold the character paper in half. You should see the character on both sides.

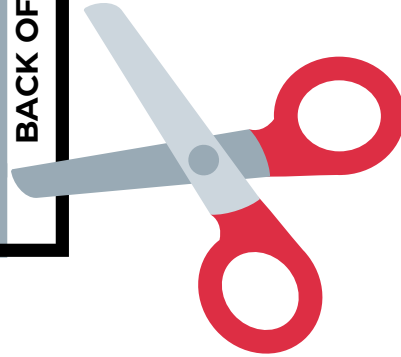

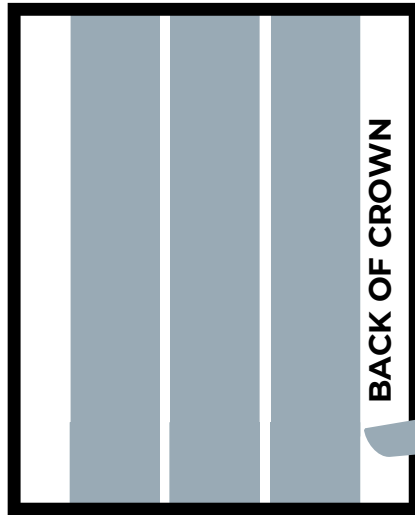

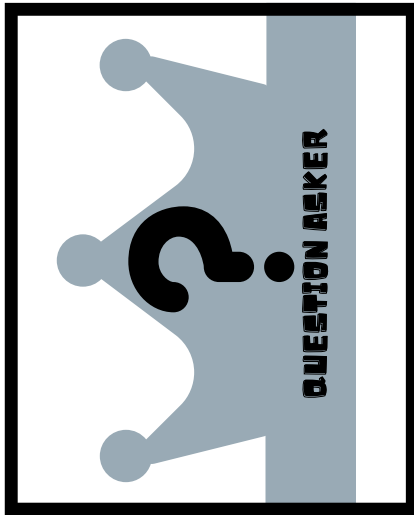

Step 3. Clip a paper clip to the character. This will help your character stand up.

Step 4. Now you are ready to play the game! Move your character to the starting line!

CROWN HOW TO

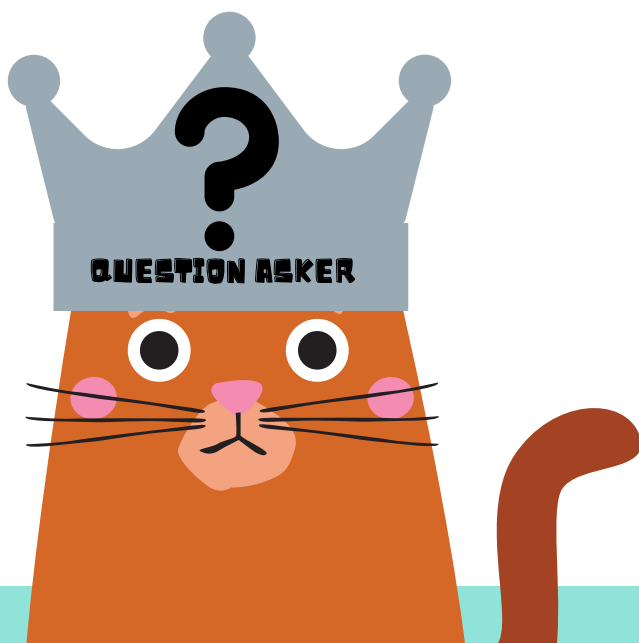

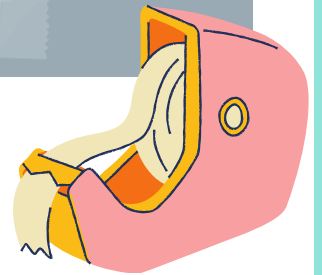

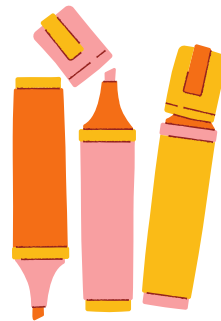

Step 1. Cut out each crown and the "back of crown" straps.

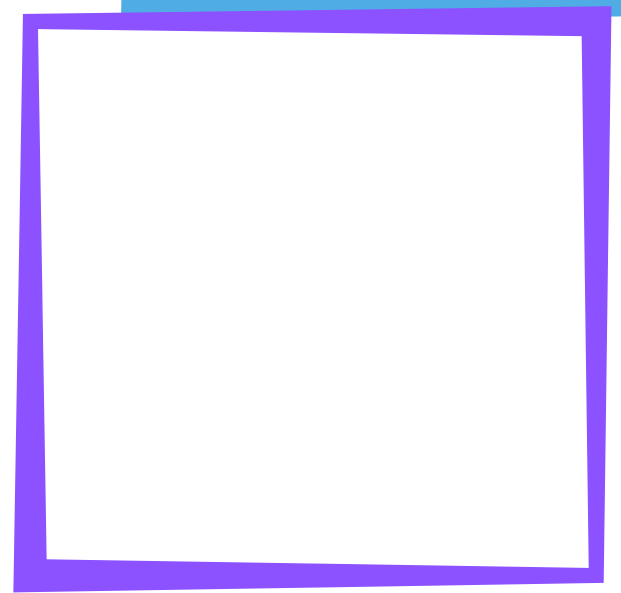

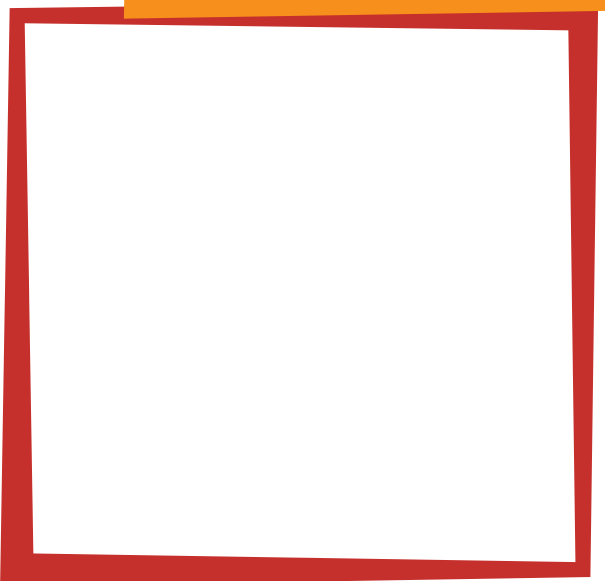

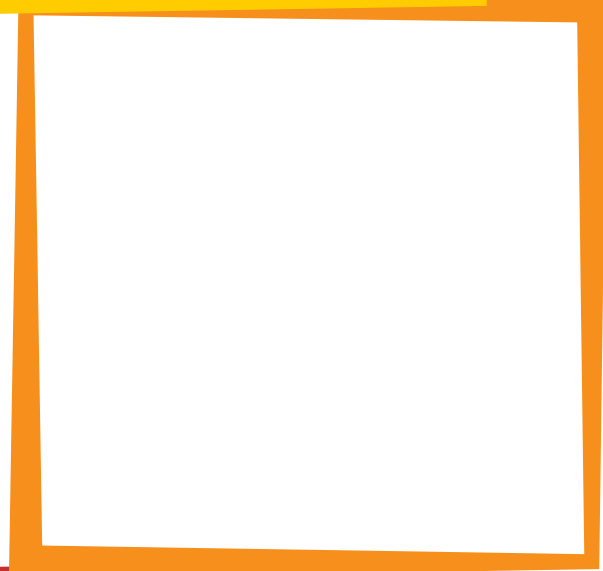

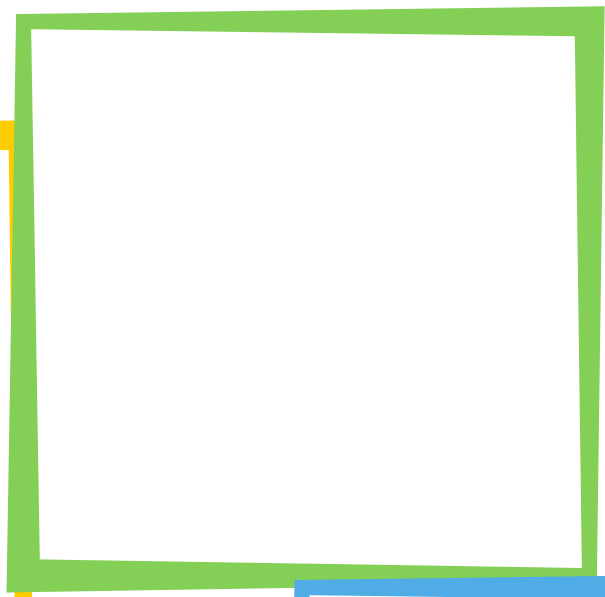

Step 2. Tape the "back of crown" straps to the crown..

Step 3. Decorate your crowns.

Step 4. Fit the crown to your head and secure with tape...
